AUBURN-OPELIKA METROPOLITAN PLANNING ORGANIZATION'S
FY 2010 UNIFIED PLANNING WORK PROGRAM (UPWP)

Lee-Russell Council of Governments (LRCOG) announces the availability of the Auburn-Opelika Metropolitan Planning Organization's FY 2010 Unified Planning Work Program (UPWP) for public review and comment. LRCOG is accepting comments on the UPWP until **June 5, 2009** at their office at 2207 Gateway Drive, Opelika, AL 36830. Office hours are 8:00am to 5:00pm.

The UPWP is the instrument for coordinating metropolitan transportation planning activities in the Auburn-Opelika MPO Study Area. The primary objective of the UPWP is the development of an integrated planning program, which considers the planning activities of each modal group and coordinates these activities to produce a total transportation plan serving all segments of the population. The UPWP represents the budget and work tasks necessary to accomplish and maintain the transportation planning process within the Auburn-Opelika MPO Study Area.

Persons with questions or with disabilities who may need special accommodations to review the UPWP should contact Keith Bryan at 334-749-5264 ext. 214.
